

Attending a Council Meeting

We welcome your interest and participation in the process of representative government. We hope you and your friends will often attend Eagar Town Council Meetings. A Republic cannot endure without an informed electorate.

Eagar has the council-manager form of local government. Policy is set by the Mayor and Council, who are elected by the residents of the Town. The policy is then carried out by the Town Manager, who is appointed by Council. The Council decides what is to be done, and the Town Manager, working through the entire staff, implements the decision. This separation of policy **making** from policy **administration** is considered the most economical and efficient form of local government.

The public is welcome to place items on the council agendas with the approval of the mayor or town manager. A [Proposed Agenda Item Request Form](#) is available in the town clerk's office or the link provided. All requests are due into the town clerk's office by Wednesday at 12:00 noon the week proceeding the council meeting.
